RENTAL HOUSE

The house is located in Ambato in a very nice and quiet area, the house is in an easy to reach location, with shopping centers, parks and other attractions.

It is on Manuelita Saenz Avenue a few meters from the "Paseo Shopping" shopping center.

The house has two floors, on the first floor there is a small kitchen and a large living room, it also has a laundry room with connection for washing machine and dryer and a bathroom with a bathtub, in the exterior of the house there is a system for heat the water.

On the second floor there are 3 bedrooms, 1 large room and 2 small rooms but it does not have terraces. There is a small patio in the back but there is no space for a garage.

If you need to see the photos of the house you can find it on the internet or if you want to visit the house you can send a text message to the number 0984964421.

The rental cost is cheap and comfortable, also the house is very nice and I think it is the ideal house for your family.

1. What do you think it might be like to live there?

I think it would be nice because it is winged shopping and could pass there

2. Would you have a lot of space? Are there a lot of rooms?

I think yes, because I don't have many things to take and it is a suitable place to study

3. Do you think it must be a good place to live with your family? WHY?

I'm sure yes because it's a very quiet place

What is the value of a room?

I cannot rent a single room because it is attached to the first floor and you would have problems with other people.

Accept animals inside the house?

Yes, you can have pets

can make meetings with friends in the house?

sorry, you can't have friends gatherings because the neighbors don't like this.
